

NANNUP TRUFFLES Welcome to our May Nannup Truffle Growers Co-operative Newsletter!

Truffle season is upon us again - and it's a very exciting time of the year - with lots of events happening to tempt all of the Truffle lovers out there. And for our Co-op, we are gearing up for this years round of dinners which celebrate all things Truffle and we get to indulge in some delicious food courtesy of some of Perth's top Chefs.

All dinners are open to our Co-op members - watch this space for further details being announced very soon!

Other exciting news is the growth of our trees on the Farm - just look at the size of this beauty - it's nearly as big as Dave (who isn't of short stature by any means!) - in just 6 months from being planted the progress of the trees has been nothing short of amazing. We've been blessed by a great run of sun with intermittent rains, and this has really been perfect for our trees to grow.

As you can see from the picture of when they were first planted back in November the change is really remarkable!!

Truffle Lovers!

We will be holding a number of Truffle Dinners for members and/or interested parties. Save the dates and book early - last year over 4 dinners all sold out quickly. Again, Robert Olde from Latitude 34 Wine Company will be providing his latest and best wines to accompany delicious Truffle inspired food. Dave will also give an update on all happenings on the Farm. Proposed dates and venues:

July 4th	-	Friends Restaurant
July 18th	-	Galileo Buona Cucina
August 1st	-	Mello House
